## Dr Billy Dasein Chair East Marsh United

Dr Billy Dasein has worked in education for much of his adult life, as a lecturer, educational technologist and teacher of English in Oman and Poland. He's passionately interested in what makes for a good life, how we organise ourselves so that we humans can flourish and live the best lives we can. His doctoral thesis 'Freedom to learn for the 21st century (education as if people mattered)', says just about everything about his being-in-the-world:
